Overview: Spectacular contemporary style penthouse, completely renovated and brand new in the center of Estepona. Very bright, spacious and with incredible panoramic views of the sea. You will find few similar homes in the area, so do not miss this magnificent opportunity to get hold of an incomparable property. With more than 100 Sq m built and another 18 Sq m of terrace, this property undoubtedly has plenty of space for everyone to be comfortable. Distributed in a hall that leads to the large living room, which in turn leads to the terrace, from where you can enjoy the incredible views over the coast, on the other hand there is the open-concept, ultra-modern and fully equipped kitchen. It has 3 double and exterior bedrooms, with large built-in wardrobes and 2 complete bathrooms, 1 of them en suite. The reform was completed in April 2023, so it is new and ready to move into, as it is delivered fully furnished. In addition to the beautiful contemporary design, it has central air conditioning, parquet flooring, security door, intercom, electric shutters, alarm, building with elevator and the price includes 1 garage space.
