Overview: Welcome to our new development of luxury homes in Mijas, where exclusivity and elegance are combined to create a truly unique urbanization concept. These stunning villas boast sea views, Scandinavian-inspired design, and high-quality finishes that will exceed your expectations. Each villa comes with its own private pool and garden, and is fully furnished with the option for customization to suit your unique style. Plus, with the potential for vacation rental income, your investment will continue to grow over time. But owning a home in this development means so much more than just a property. You will also become a part of a private club with exclusive access to urbanizations and boat fleets throughout Europe. The development features completely urbanized land, and off-plan sales are available with the first phases already on the market. You have the option to choose from self- and standard development, and the community also includes its own restaurant, supermarket, spa and wellness facilities, as well as golf, tennis, and paddle memberships, and much more. With front office and 5-star hotel services, you can rest assured that you'll have everything you need to live a life of luxury. The villas offer generous built surface areas, with Villa V at 201 m² (145 m² inside + 56 m² terraces) and Villa C at 232 m² (151 m² inside + 81 m² terraces). The starting price for these stunning villas is 997,500 euros, with opportunity packages available for investors. Don't miss out on this incredible opportunity to own your own slice of paradise.
