Overview: Large 4-bedroom apartment in Estepona center. The property has a large and independent kitchen fully fitted with appliances. It leads to a covered terrace that has been closed off and currently used as a utility room. The living room is very large, with dedicated dining area and an extension used as a secondary living space. The 4-bedrooms are very large and enjoy 2 family bathrooms, one with shower and the other with bathtub. The property is sold unfurnished and there is a possibility of getting a parking space for an extra cost if needed. The location of the property is ideal, surrounded by all amenities needed within walking distance: restaurants, schools, supermarkets, etc. and the best is that the closest beach is only 10 minutes' walk away!
