Overview: This stunning new villa development in La Resina Golf, Estepona is truly exceptional. Situated on an elevated plot, the villas offer breathtaking panoramic views of the sea and mountains. The luxurious contemporary villas boast a plot size of approximately 1,080 square meters, with four spacious bedrooms, two of which are located on the ground floor and the remaining two on the first floor. The open plan kitchen and living area with large sliding window doors provide ample natural light and create a bright and airy living space. The combination of modern design and high-quality finishes, such as pure luxury fixtures and fittings, adds a touch of sophistication to the already impressive villas. The welcoming exterior features a large terrace deck with a salt water infinity pool, ideal for enjoying the Mediterranean climate. The landscaped garden and comfortable lounge area offer the perfect setting for al fresco dining, while the dining space provides an intimate space for entertaining guests. The villas come with two designated parking spaces and a large raw basement, providing ample space for storage and flexibility in use. Optional features, such as an outdoor kitchen and BBQ, a rooftop terrace with a Jacuzzi, full alarm and sound systems, as well as a pre-installed car charger, further enhance the luxurious experience of living in these spectacular villas. Overall, this villa development in La Resina Golf, Estepona, provides an unparalleled living experience, blending luxurious modern design with breathtaking views and high-quality finishes. It is a rare opportunity to own a piece of paradise in one of the most desirable locations on the Costa del Sol.
