Overview: The panoramic views from the large terrace of the property are to fall in love with. This is a penthouse that comprises an entrance hall, a fully equipped kitchen, a spacious living-dining room, three bright bedrooms and a bathroom. From the living room you can access the terrace, with space for outdoor sofas and a dining area, plus a small room that can be used as a storage room or laundry room. The terrace is the perfect space to enjoy the good weather all year round with friends and family. The apartment includes a parking space in the building and it has an elevator too. The property is located in an unbeatable area, well connected and quiet, very close to schools and all major services. Come and see it!
