Overview: Great investment on the Costa del Sol. Good opportunity. Located in the same building as the urbanisation Pueblo Cielo Mijas, in a quiet area, just 2 km from Mijas Pueblo and 2.5 km from Fuengirola. There are 4 flats of 86 m<sup>2</sup> and 1 flat of 124 m<sup>2</sup> (all facing the ocean) Total area: 468 m<sup>2</sup> - Price per m<sup>2</sup>: 1.388€/m<sup>2</sup> Sale of 5 flats: It's cheaper for the buyer and seller and for the registered company The other important thing is that the buyer of these 5 flats will have almost a majority in the Block 2 community.
