Overview: This 3 bedroom ground floor apartment is situated right in the heart of San Pedro, with the Spanish atmosphere and everything on your doorstep. With a small renovation this apartment is great value for money in a nice gated urbanización with communal pool and large gardens as well as gated parking area. The apartment has no stairs so easy access and as you enter the living room with a small glassed in balcony and a spacious kitchen you find 3 bedrooms, sharing one large bathroom. The balcony is west facing and the glassing can be removed to open up for more sun exposure.
