Vue d'ensemble:A truly very beautiful villa nestled within La Mairena in a very imposing position to fully appreciate the breath taking views and scenery. This modern house is positioned on a plot with panoramic views with access to 2 streets. Contemporary in design, featuring exceptionally large rooms, including living room/dining area, with open fireplace. The master suite and two further bedrooms all have en-suite bathroom and separate shower. The large windows throughout the villa are amazing, allowing you to enjoy the wonderful views wherever you are in this light airy spacious house. Special features of this villa is elevator and beautiful infinity pool The terraces offer beautiful views of the surrounding natural habitat. This is the perfect setting to lounge in the sun, eat al fresco and enjoy a long cool drink as you watch the evenings sun go down. This is an ideal setting of exquisite charm and tranquility, but within minutes an array of activities are available for you and your family to enjoy. White sandy beaches, shops and a selection of excellent restaurants and beach bars can be found in the nearest lively spot of Elviria. This is a unique opportunity to purchase a property to enjoy the many benefits Spain has to offer. Must be seen.
