Vue d'ensemble:Great opportunity to buy a Beachside Studio in Algaida, Calahonda. Front Line beach complex with direct access to the beach and boradwalk. Walking distance to all amenities. This is a nice size studio with the bedroom located in the enclosed terraza with sliding doors from the sitting room so gives the impression of it being a one bedroom apartment. Walk in and you have the kitchen to the left, bathroom to the right, straight into the large sitting /dining room area and then the enclosed terrace which is used as the bedroom. Fabulous views from the apartment of the sea and surrounding area. The most attractive thing about Algaida is it's location and facilities. You have two nice pool areas, children's playground , and you can walk out the lower gate directly on to the Boardwalk. As it is an enclosed complej only residents can gain access and there is plenty of openair parking spaces. The complex is also within walking distnace to shops and restaurants. Only 15 mins either way to Fuengirola or Marbella, 30 mins to Malaga Airport and 10 minute walk on the boardwalk to Cabopino. The boardwalk goes from Cabopino to La Cala de Mijas. This apartment is ideal to live in all year around or use as a holiday home and ideal for remote working.
