Vue d'ensemble: Large townhouse in need of a complete reform in the centre of Alhaurín el Grande. It is a very spacious property with beautiful views and offers lots of possibilities. Currently it is distributed in 6 bedrooms, living room, kitchen, a bathroom, outdoor patio area with storage rooms and an enclosed roof terrace with electricity and water, making it ideal for converting into a living area with summer kitchen. There is space to make a one-car garage since the property currently has two doors.
