Vue d'ensemble:Rented at the moment so limited possibilities to view! This lovely, with eye for detail, presented 4 bedroom villa has a lot to offer. On the ground floor level you have at one side of the villa the large salon with grand fireplace with doors leading out to the terrace area. There is a separate dining area next to the beautiful open kitchen. There is also the stairs to get to the master bedroom. This bedroom has a very large walking closet. There is also a en-suite bathroom and a separate shower room. On the right side of the villa you will find another three bedrooms 2 more bathrooms and a guest toilet. The villa is built on a large plot that gives you all the out door space you need. Various terraces, outdoor bar and the private pool makes this a very desirable property. The large garage underneath the property completes it. Located only 5 minutes to the beach and several shops, bars and restaurants are in walking distance. Must see property.
