Vue d'ensemble: You know the feeling when you enter a property that has a unique and original feel to it. Something which you don't see everyday. And then when it is in need in refurbishment you can't wait to get your hands on it and start doing just that. It has just so much potential to be turned into something extraordinarily. 3 bedrooms no problem, 4 maybe. Seamless indoor/outdoor living, definitely. Contact us to see this property and find out more.
