Vue d'ensemble: Beautiful views from this La Mairena 2 bedroom apartment. Located in a lovely gated community known as El Vicario, this 2 bedroom property in upper Elviria offers the chance to live in a peaceful and natural location without the feeling of isolation. The 2 bedroom apartment is entered from the outdoor parking directly into the hall way without any steps. However, due to the design of the apartments with the building having been built on the hillside, this 2 bedroom home is elevated and enjoys fabulous south-east views across the countryside to the Mediterranean sea.
