Vue d'ensemble:Magnificent brand new Alcazaba Lagoon apartment, in Estepona - Casares, a unique urbanization located between hills and with spectacular views of the sea. The urbanization is developed around one of the largest artificial beach lagoons in Spain. This apartment has 2 bedrooms and 2 bathrooms, the main one en suite, with high-level qualities, integrated kitchens, beautiful views and large terraces. Hot / cold air conditioning, solar panels for hot water, satellite TV and underground garage. The urbanization has a lagoon with crystal clear waters for water sports, artificial beach, integrated pool, in an environment of palm trees and vegetation, similar to an oasis. In addition, beautiful gardens and 24-hour security with a barrier entrance. Located just five minutes from Estepona and all services.
