Vue d'ensemble: This CORNER PLOT is an amazing opportunity in Estepona town center! The plot has a total size of around 67m<sup>2</sup>. You can build ground floor + 1st floor + 2nd floor setback with a total of around 160m<sup>2</sup> or more of usable space + large terrace where you can install a Jacuzzi or a swimming pool. As it is a corner unit, all rooms can have windows to the street, which is very rare in the old town. The location is amazing: 200m from Plaza de las Flores, 300m from Estepona beach. Shops, restaurants, schools, kindergartens, banks, pharmacies, etc. , all within walking distance.
