Vue d'ensemble: How to explain that an urbanization previously isolated from everything was today transformed into such a good, quiet and green area. The explanation, Torreblanca has become one of the favorite residential areas of Fuengirola, a pleasant place to live, less than 10 minutes driving from the center of Fuengirola or the beach and away from the madding crowd. You will like this house especially for: The house is distributed on two floors and a basement. Thanks to its orientation, we enjoy natural light inside the house and the sun on the terrace practically all day. The urbanization has a communal pool. It has a large solarium terrace where you can organize barbecues with your friends or sunbathe quietly. It is in good condition and maintenance and ready to move into.
