Vue d'ensemble: This, ladies and gentlemen, is the "pride and joy" of Manilva. The mother of villas, run as a Boutique B&B with tourist license - six bedrooms decorated in different styles (all en suite) is now for sale. The property is in immaculate condition and completely refurbished during recent years. In addition to the beautiful bedrooms you will also find an open plan lounge which leads in to the breakfast/dining area from where you get to enjoy breath taking views overlooking the garden and the coastline of Costa del Sol. There is also a sauna/spa area and two treatment rooms inside the building with separate entrance, where you can pamper yourself after a day on the beach. Last but not least, let's not forget the pool area with a separate pool bar, located in the sunny and peaceful garden of Eden. The location is very private, but still you are within walking distance from the beaches of Manilva as well as the port of La Duquesa which offers several different restaurants and bars. We can go on and on describing this dream property, but at the end of the day it would not do it justice. This gem of gems should be admired on site, so please feel free to contact us for viewings. It just does not get any better than this.
