The upstairs terrace is one huge solarium divided in different areas such as a chill-out area, a bar, a sauna and a high-end jacuzzi/plunge pool. The position of this penthouse in the complex is also the best, completely south facing and with open views to the sea, and not overlooked. When you enter the living area it is simply jaw-dropping. It is a huge open plan area carefully divided in kitchen area, TV-area (with the latest fancy Bang Olufsen TV), dining area and lounge area. The features are amazing, like the high vaulted ceiling and the fireplace in natural stone stretching all the way up, only to be mirrored by the view to the old Roman tower in front of the complex. It is modern living while feeling the history of the past going back over 1.500 years. The kitchen with its kitchen island is large, stylish and of the highest quality.
