This apartment was completely renovated just 3 years ago, and it was done with all the care and good taste that is expected in this privileged location. Wooden flooring, air conditioning, electric shutters, underfloor heating, adjustable LEDs, etc. Located on the sixth floor of this majestic building, Royal Park has always been a favorite for our Scandinavian neighbor. With unobstructed views, from the terrace you can enjoy the best sunsets and the characteristic lifestyle of the Costa del Sol. Just 5 minutes walk from all kinds of shops and numerous services. Supermarkets, pharmacies, bus stop, you have everything at hand. The urbanization has large gardens and swimming pool, as well as community parking in its closed area.
