While stepping into this unique property, you will finally be able to leave all your cares behind you and start building unforgettable memories while relishing the privacy of your own spacious oasis. Just a few minutes away from some of the most delightful entertainment spots of Marbella, this beautifully decorated house plays host to most luxury amenities desired into a private property, such as a gym, beautiful terraces surrounded by lush gardens and a big swimming pool. The Mediterranean architectural lines of the white exterior contrast with the buganvillas and the tropical greenery dotted around the garden. Indoors, the stylish interior is illuminated by natural light flooding through the windows and reflecting on the fine pieces of furniture, carefully set around each one of the 4 bedrooms with bathroom en suite. A fifth bedroom is available on the basement level. The fully equipped Bulthaup kitchen provides ample space to try your hand at cooking some andalusian recipes, while the cozy living area promises the perfect spot to spend quality time with your loved ones. Treat your friends following the season, al fresco, in the shade of different terraces around the property during the spring and summer time, or in the intimate dining area. Nueva Andalucía is an unbeatable central location, only 5 minutes driving to Marbella, Puerto Banus, San Pedro Alcántara, Aloha, Los Naranjos or La Quinta Golf.
