Vue d'ensemble: This spectacular estate has 24000 meters fully fenced land and 3 wells for irrigation . There are orchards all planted with avocados oranges and tangerines. The property is only 5 minutes from coin with all its amenities and access is good. . There is grass and palm trees surrounding the property barbecue, electronic gate and pool. There are huge street lamps around the villa. There is a large chicken coop and the property comes with a couple of Australian emus, turkeys Geese, hens etc .. The house has an open plan lounge/kitchen and covered terrace outside. The views are stunning. Access is via a track.
