Vue d'ensemble: Stunning Apartment with the most amazing view of the entire community. This apartment was previously a 3 bed Apartment, but the current owner decided for a large lounge and turned it into a 2 bedroom Apartment. It was very easy and with much cost involved to turn it back into a 3 bedroom Apartment. Located in Block 4 of the community it has the best views over the coast towards the bay of Marbella, Gibraltar and the coast of Africa. It is in very good condition and offers plenty of space for a large family. Underfloor heating in all bathrooms, shutters and the community offers an indoor pool, a gym, several outdoor pools and security. The Apartment comes with a garage space and a storage room.
