Vue d'ensemble: Andalusian style townhouse in Mijas **Floorplan available** Welcome to this very well-presented two-level Andalusian style townhouse in the prestigious Puebla Aida in Mijas Golf. The upper level consists of a bright open-plan kitchen/lounge and dining area with a lot of character. The property has maintained the traditional moorish design such as the brick walls, the high wood ceiling and a cosy fireplace. There is a great south-facing terrace on this level which overlooks one of the four swimming pools, the golf course, the Mijas mountains and the Mediterranean Sea. The lower level consists of two airy bedrooms, one of which has an en-suite bathroom. There is also a shared bathroom, a small storage room and entrance. The third bedroom is currently being used as the dining room. Puebla Aida is a beautiful, renowned architectural residential zone built in a Moorish style, with a labyrinth of walkways and many water features. There are various communal areas including a pétanque court and four pools. Not two apartments, penthouses or townhouses are the same which makes them all unique.
