Vue d'ensemble: "We present this beautiful semi-detached house in the Coto Olimar Urbanization. An urbanization that is close to all types of facilities, schools and a few minutes by car from the center of Fuengirola. The urbanization is completely closed, has garden areas and a large community pool. The distribution of the house is on 3 floors. On the ground floor we have a large, fully equipped open kitchen and a beautiful living room with fireplace and access to a beautiful porch that has a barbecue area. On the first floor we have 3 bedrooms and two bathrooms, one of them en suite. And upstairs another bedroom with terrace. The house has its assigned private parking space.
