Vue d'ensemble: The bright apartment has a great floor plan with no wasted square meters. The spacious kitchen is fully equipped, and there is plenty of counter space and access to the terrace. The living room is really bright, with the light coming through two glass doors, from which you access the terrace. The big terrace has lovely views partly ocean and has room for larger outdoor furniture and a barbeque. The two bedrooms are spacious and there is plenty of storage space. One of them is with en-suite. Both bedrooms have glass doors that lead to the big balcony with mountain views. In addition, there is also a room that can be used, for example, as a walk-in closet or office space. The gated community offers a comfortable environment to live and do activities. There is a swimming pool and beautiful garden areas. It is located next to the Miraflores golf course and is close to comprehensive services and restaurants. It is only 2 km to the beach and the airport is 20 minutes away. There is also a garage and storage room included. Warmly welcome to visit. We are also happy to reserve a video presentation time.
