Описание:An enchanting view of Ronda Old Town, a charming cottage in the outskirts of Ronda, with three huge bedrooms, an enormous living and dining room. There's a first floor additional space available. The property comprises a 12.000 sq m plot with olives and almond trees. The astonishing view from the house pictures the northern part of Ronda´s old town, seeing the whole ancient city wall, the start of the world famous gorge, enchanting olive groves, and more. A property hard to be found for its unique views and with the added value of a solid rustic style construction.
