Описание: An enchanting view of Ronda Old Town, a charming cottage in the outskirts of Ronda, with three huge bedrooms, an enormous living and dining room. There's a first floor additional space available. The property comprises a 12.000 sq m plot with olives and almond trees. The astonishing view from the house pictures the northern part of Ronda's old town, seeing the whole ancient city wall, the start of the world famous gorge, enchanting olive groves, and more. A property hard to be found for its unique views and with the added value of a solid rustic style construction.
