Описание:Lovely property south facing located in Balcon de Mijas, a charming gated complex set in the historical part of the white washed village of Mijas, just a short walk to the centre of the village. This ground floor apartment has lounge leading out onto a sunny balcony with views overlooking the communal pool and gardens to the sea beyond. There is also a nice and charming garden in the front of the property. The kitchen is modern and well equipped. There are 2 double bedrooms and a family bathroom. The complex is set within a secure gated complex set back from the road and with mature and well-kept gardens with sun places to sunbathe around the pool or for outside dining with a communal bbq area. A must see!
