Описание: ON EXCLUSIVITY. In harmony with your lifestyle: Land for 3 VILLAS or 1 VILLA as one wishes. Beautiful plot/plots with stunning sea, mountain and countryside views close to amenities are becoming harder and harder to find. Beach, marinas, 10 minutes to Sotogrande and polo fields etc. There are 4 plots on Title deeds. Can be sold ONLY as a whole package of the 4 plots Easy to obtain building licenses and no retaining walls needed. Almost flat plots.. This area holds a new perspective for people with a vision and is now so much more demanded in close by Sotogrande that in very few years to come this location will give an added value to your investment.
