Описание: 396 m² warehouse available in Churriana. The warehouse has been used for many years as an Industrial Bakery, so it has different differentiated areas, several chambers, an office, and a baking area (the ovens are installed, but must be revised). Recently thoroughly cleaned, including cameras. It has also been painted and the floor treated with epoxy. It has three-phase and quality electrical installation throughout the unit. Fireproof. Excellent opportunity for businesses related to food and food preparation.
