Описание: Lovely south facing elevated and fenced plot of land in El Velerin. There is a small 2 bedroom wooden house and another small one bed building, both have been declared and legal. This is a lovely plot located in a very peaceful setting with several fruit trees, a chicken coop, mains water and electricity. There are fabulous views to the sea and mountains and its just over 3 km from the main road and less than a 10 minute drive to the picturesque town of Estepona. Must be seen!
