Описание: These two locals are currently commercial buildings however they are being sold to refurbish as one bedroom apartments. Situated in the centre of Bonanza area the properties would be the ideal development opportunity as a holiday rental investment. The area of Bonanza is an exceptionally popular destination with direct access to an abundance of bars and restaurants. Situated just minutes walk from Arroyo de la Miel and its variety of shops and also just 10 minutes walk to the beautiful sandy beaches of Benalmadena. This is an excellent opportunity to develop two excellent rental apartments in the heart of Benalmadena!
