Описание: A 140M2 LAND WITH A GOOD PRICE! If you are a lover of nature, the countryside and hiking, come see this 140 m2 land. You can build your dream house near a natural environment such as the Sierra de las Nieves National Park. The land is urban. Located in Yunquera, it has a construction project where you can build a house with a basement, 2 floors and an attic. The area is quite good with museums, bars and shops within walking

distance. We inform you that we are part of an engineering and construction company, we carry out technical projects for the start of activity as well as the relevant licenses and administrative procedures and its subsequent execution and direction of the work. Contact us, our team will be happy to inform you about everything!
