This +600m² house is built on a 4.700m² plot. When you enter the house, the fantastic views welcome you. Walking in and on your right-hand side, you will find a huge lounge and dining room with big floor-to-ceiling windows to enjoy the views. To your left you will find a huge modern kitchen. From both the lounge, entrance, and the kitchen you can walk straight out to the terrace. On the same level you will find the master bedroom ensuite and another big bedroom ensuite. There is a two-bedroom guest house and on the ground floor you find the 5th bedroom ensuite. In the basement you have the garage with room enough for two cars, the engine room, and a gym.
