Описание:Magnificent Andalucian Cortijo style single storey, 2 bedroom, 2 bathroom townhouse in the little village of Zalea. The character of the house is incomparable. A small oasis describes the stunning garden. There is a separate garage at the other end of the garden, opposite the house and it offers lots of potential for extra space, such as for guest accommodation. Just a stone's throw away from the bars, restaurants, and the pharmacy.

Особенности:
