Коммерческие помещения

Описание: Large commercial premises in the Puerto Marina area in Benalmádena. The premises are located on the ground floor of an excellent residential building and would adapt to many types of business such as a restaurant, all types of shops and businesses or offices. Due to the size of property these premises could easily be adapted to multiple uses such as a mix of hairdressers salon, massage clinic and beauty treatments of all sorts. The premises have natural light, right of use and access to two large terraces on the street level of a total of 100 m2. The owner is open to offers and proposals.
