The kitchen is independent and fully fitted with appliances. The master bedroom has its own en-suite bathroom with shower. There are two more good size bedrooms that share a full family bathroom. The apartment has tile floors, fitted wardrobes and the building enjoys a brand-new elevator. The property is sold partially furnished. The location is perfect, within walking distance to the beach, the promenade and all kind of amenities: restaurants, supermarkets, schools, etc. A property with lots of potential and an unbeatable location
