Описание: Building plot central Fuengirola... The plot is located in Calle Fucsia in Las Lagunas Fuengirola. The neighborhood offer everything such as schools, church, Carrefour supermarket, shops, banks, public transport, medical center, fitness etc. The Paseo Maritimo and the beach is less than 2 kms from the plot. Here you have a blank canvas and can build your dream home with underground parking and a sunny roof terrace or build apartments as an investment and sell or rent them out
