Описание:Town house located in the historic center of Alhaurín el Grande close to shops and at the same time in a very quiet area. The house is distributed of two floors with the possibility of having one house per floor with independent entrances. On the ground floor we have a living room and kitchen with direct access to a spacious patio. Here we find a storage area on two floors. We also have a bedroom and bathroom on the ground floor. At the top, three bedrooms, and a bathroom, and the possibility of having a second kitchen. From here we access the upper part where we find a last room and access to a private terrace with wonderful views of the interior landscape.

Особенности:

Бассейн, None, Parking, None
