Описание: A very interesting plot half way up the hill to Mijas Pueblo from Fuengirola. It is accessible from a gate at a roundabout on the Carretera de Mijas. It is located at a junction and has advantageous, open views towards the sea. It is 420m2 and it is possible to build a property of 109m2. Great access to the A-107 and the toll road. The village of Mijas is a short 5 minute drive and has many restaurants. Also a 10 minute drive from Fuengirola and it's beautiful bars and restaurants and of course the beach. A great choice when deciding upon a place to build your perfect house.
