Описание: Plot in the center of Alhaurin el Grande, perfect location and views This is a plot in the center of Alhaurin el Grande of 137 sqm. It is located in an incredible area with great views and very close to all services, shops, supermarket and schools. This is a good opportunity to invest since there is possibility to build a single-family house of up to two floors and rooftop, according to municipal regulations. Perfect opportunity, contact us for further information.
